Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows three (3) Federal Government components, specifically, the United States Marshals Service (USMS) and the Federal Bureau of Prisons (BOP) of the Department of Justice (DOJ); and the United States Immigration and Customs Enforcement (ICE) of the Department of Homeland Security (DHS), to house federal detainees with the Local Government at the **Blount County Sheriff's Office – Detention Center**. For purposes of this Agreement, the term "Federal Government", as used herein, shall mean any and all of the three Federal Government components responsible for housing federal detainees, e.g. any notices required to be provided to the Federal Government, including invoices, shall be provided to the specific Federal Government component responsible for each federal detainee, or material witness.

The population, hereinafter referred to as "federal detainees," will be individuals sentenced or charged with federal offenses and detained while awaiting trial or sentencing awaiting designation and transport to a BOP facility, a hearing on their immigration status, or deportation.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of federal detainees in accordance with state and local laws, standards and procedures, or court orders applicable to the operations of the facility, consistent with federal law, policies and regulations. Unless otherwise specified by this Agreement, the Local Government is required, in units housing federal detainees, to perform in accordance with the most current versions of the mandatory standards of the American Correctional Association (ACA) "Standards for Adult Local Detention Facilities (ALDF)", and the essential National Commission on Correctional Health Care (NCCHC) Standards, and the Federal Performance-based Detention Standards (www.usdoj.gov/ofdt/standards.htm). In addition, where ICE detainees are housed, the ICE detainees are to be housed in accordance with ICE Standards (www.ice.gov/partners/dro/opsmanual/index.htm). In cases where other standards conflict with DOJ/DHS/ICE policy or standards, DOJ/DHS/ICE policy and standards prevail.

At all times, the Federal Government shall have access to the facility and to the federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period not less than 3 years.
