Authority

Pursuant to the authority of Section 119 of the Department of Justice Appropriations Acts of 2001 (Public Law 106-553), this Agreement is entered into between the United States Marshals Service (hereinafter *referred to* as the "Federal Government") and Hudspeth County, Texas (hereinafter referred to as "Local Government"), who hereby agree as follows:

Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows three (3) Federal Government components, specifically, the United States Marshals Service (USMS) and the Federal Bureau of Prisons (BOP) of the Department of Justice (DOJ); and the United States Immigration and Customs Enforcement (ICE) of the Department of Homeland Security (DHS), to house federal detainees with the Local Government at the Hudspeth County Jail (hereinafter referred to as "the facility"). For purposes of this Agreement, the term "Federal Government", as used herein, shall mean any and all of the three Federal Government components responsible for housing federal detainees, e.g. any notices required to be provided to the Federal Government, including invoices, shall be provided to the specific Federal Government component responsible for each federal detainee, or material witness.

The population, hereinafter referred to as "federal detainees," will be individuals sentenced or charged with federal offenses and detained while awaiting trial or sentencing awaiting designation and transport to a BOP facility, a hearing on their immigration status, or deportation.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of federal detainees in accordance with state and local laws, standards and procedures, or court orders applicable to the operations of the facility, consistent with federal law, policies and regulations. Unless otherwise specified by this Agreement, the Local Government is required, in units housing federal detainees, to perform in accordance with the most current versions of the mandatory standards of the American Correctional Association (ACA) "Standards for Adult Local Detention Facilities (ALDF)", and the essential National Commission on Correctional Health Care (NCCHC) Standards, and the Federal Performance-based Detention Standards (www.usdoj/ofdt/standards.htm). In addition, where ICE federal detainees are housed, the ICE federal detainees are to be housed in accordance with ICE Standards (www.ice.gov/partners/dro/opsmannual/index.htm). In cases where other standards conflict with DOJ/DHS/ICE policy or standards, DOJ/DHS/ICE policy and standards prevail.

At all times, the Federal Government shall have access to the facility and to the federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period not less than 3 years.

This Agreement shall not affect any pre-existing, unrelated agreements between the parties or with any other third party or parties.

Period of Performance

This Agreement is effective upon the date of signature of both parties, and remains in effect unless terminated by either party with written notice. The Local Government shall provide no less than 120 calendar days notice of their intent to terminate. Where the Local Government has received a Cooperative Agreement Program (CAP) award, the termination provisions of the CAP prevail.

Assignment and Outsourcing of Jail Operations

Overall management and operation of a facility housing federal detainees may not be contracted out without the prior express written consent of the Federal Government.

Medical Services

The Local Government is financially responsible for all medical treatment provided to federal detainees within the facility. The Local Government shall provide the full range of medical care required within the facility including dental care, mental health care, pharmaceuticals, and record keeping, as necessary to meet the essential standards of the National Commission of Correctional Health Care's Standards for Health Services of Jails (current edition).

The Local Government will submit to the Federal Government requests for approval of all treatment to be provided outside the facility. The Federal Government shall be responsible for the cost of approved outside medical treatment.

In the event of an emergency, the Local Government shall proceed immediately with necessary medical treatment. In such an event, the Local Government shall notify the Federal Government immediately regarding the nature of the federal detainee's illness or injury, type of treatment provided, and the estimated cost thereof.

The Local Government shall promptly forward medical invoices for outside medical care to the Federal Government within 30 days of receipt.

The facility shall have in place an adequate infectious disease control program, which includes testing all federal detainees at the facility for tuberculosis (TB) as soon as possible upon intake (not to exceed 14 days) and read within 72 hours. TB testing shall be accomplished in accordance with the latest CDC Guidelines and the results documented on the federal detainee's medical record. The Local Government shall immediately notify the Federal Government of any cases of suspected or active TB so that any scheduled transports or production can be delayed until a physician verifies the federal detainee's TB status.

When a federal detainee is being transferred and/or released from the facility, they will be provided with seven (7) days of prescription medication which will be dispensed from the facility. When possible, generic medications should be prescribed. Medical records must travel with the federal detainee. If the records are maintained at a medical contractor's facility, it is the Local Government's responsibility to obtain them before a federal detainee is moved.

Federal detainees may be charged a co-payment for medical services provided by the Local Government. The Local Government shall administer the program in accordance with the Federal Prisoner Health Care Co-Payment Act of 2000 (Title 18 401 3d). This statute does not cover ICE federal detainees; co-payments shall not be collected from ICE federal detainees under ANY circumstances.

Receiving & Discharge of Federal Detainees

The Local Government agrees to accept federal detainees only upon presentation by a law enforcement officer of the Federal Government with proper agency credentials.

The Local Government shall not relocate a federal detainee from one facility under its control to another facility not described in this Agreement without permission of the Federal Government.

The Local Government agrees to release federal detainees only to law enforcement officers of the Federal Government agency initially committing the federal detainee (i.e., DEA, ICE, etc.) or to a Deputy United States Marshal (DUSM). Those federal detainees who are remanded to custody by a DUSM may only be released to a DUSM or an agent specified by the DUSM of the Judicial District.

USMS federal detainees sought for a state or local court proceeding must be acquired through a Writ of Habeas Corpus or the Interstate Agreement on Detainers and then only with the concurrence of the district United States Marshal (USM).

ICE federal detainees shall not be released to the custody of other Federal, state, or local officials for any reason, except for medical or emergency situations, without express authorization of ICE.

Guard/Transportation Services to Medical Facility

The Local Government agrees, upon request of the Federal Government in whose custody a prisoner is held, to provide transportation and escort guard services for federal prisoners housed at their facility to and from a medical facility for outpatient care, and transportation and stationary guard services for federal prisoners admitted to a medical facility.

Such services will be performed by [REDACTED] qualified law enforcement or correctional officer personnel employed by the Local Government under their policies, procedures, and practices. The Local Government agrees to augment such practices as may be requested by the USM to enhance specific requirement for security, prisoner monitoring, visitation, and contraband control.

b7E

The Local Government will continue to be liable for the actions of its employees while they are transporting federal prisoners on behalf of the USMS. Further, the Local Government will also continue to provide workers' compensation to its employees while they are providing this service. It is further agreed that the local jail employees will continue to act on behalf of the Local Government in providing transportation to federal prisoners on behalf of the USMS.

Furthermore, the Local Government agrees to hold harmless and indemnify the USMS and its officials in their official and individual capacities from any liability,

including third-party liability or workers' compensation, arising from the conduct of the local jail employees during the course of transporting federal prisoners on behalf of the USMS.

The Federal Government agrees to reimburse the Local Government at the rate stipulated on page one (1) of this agreement. Mileage shall be reimbursed in accordance with the current GSA mileage rate.

Guard/Transportation Services to U.S. Courthouse

The Local Government agrees upon request of the USM in whose custody a prisoner is held, to provide transportation and escort guard services for federal prisoners housed at their facility to and from the U.S. Courthouse.

Transportation and escort guard services will be performed by [REDACTED] qualified officers employed by the Local Government under their policies, procedures, and practices, and will augment such practices as may be requested by the USM to enhance specific requirements for security, prisoner monitoring, and contraband control. Upon arrival at the courthouse, transportation and escort guard will turn federal prisoners over to Deputy U.S. Marshals only upon presentation by the deputy of proper law enforcement credentials. The Local Government will not transport federal prisoners to any U.S. Courthouse without a specific request from the USM who will provide the prisoner's name, the U.S. Courthouse, and the date the prisoner is to be transported.

b7E

Each prisoner will be restrained in handcuffs, waist chains, and leg irons during transportation.

Such services will be performed by qualified law enforcement or correctional officer personnel employed by the Local Government under their policies, procedures, and practices. The Local Government agrees to augment such practices as may be requested by the USM to enhance specific requirements for security, prisoner monitoring, visitation, and contraband control.

The Local Government will continue to be liable for the actions of its employees while they are transporting federal prisoners on behalf of the USMS. Further, the Local Government will also continue to provide workers' compensation to its employees while they are providing this service. It is further agreed that the local jail employees will continue to act on behalf of the Local Government in providing transportation to federal prisoners on behalf of the USMS.

Furthermore, the Local Government agrees to hold harmless and indemnify the USMS and its officials in their official and individual capacities from any liability, including third-party liability workers' compensation, arising from the conduct of the local jail employees during the course of transporting federal prisoners on behalf of the USMS.

The Federal Government agrees to reimburse the Local Government at the rate specified on page one (1) of this agreement. Mileage shall be reimbursed in accordance with the current GSA mileage rate.

Special Notifications

The Local Government shall use all reasonable means to apprehend the escaped federal detainee and all reasonable costs in connection therewith shall be borne by the Local Government. The Federal Government shall have primary responsibility and authority to direct the pursuit and capture of such escaped federal detainees. Additionally, the Local Government shall notify the Federal Government as soon as possible when a federal detainee is involved in an attempted escape or conspiracy to escape from the facility.

In the event of the death or assault of a federal detainee, the Local Government shall immediately notify the Federal Government.
