All items will be sold on an "As Is, Where Is" basis. All property will be sold with no warranty or guarantee whatsoever. "As Is" is a disclaimer of warranties or representations. "Where Is"

denotes that the buyer takes the property as found and must remove it from the point of sale. The US Marshals Service reserves the right to pull any property from the sale at any time prior to the sale without notice. The U.S. Marshals Service reserves the right to accept or reject any or all bids. In the event a bid is rejected, the item may be reoffered at a later date.

High bidder is solely responsible for removal of all items. Proper equipment and bidder personnel provided by the bidder will be required for loading and removal.

No equipment or USMS personnel will be available onsite to help load or move items. High bidders will need to bring their own equipment and moving personnel on the day of pick-ups. Some lots may be located behind other lots which may make the lot removal a slower going process. We appreciate buyers' patience during lot pickups.
