

PART I – SCHEDULE

SECTION D – PACKAGING AND MARKING

- D.1** All deliverables submitted under the contract shall be prepared and packaged in a cost-effective manner equivalent to standard commercial quality. Elaborate artwork, expensive paper and bindings are neither necessary nor desired.
- D.2** All information submitted to the CO or the COR must clearly indicate the contract number and task order number, if applicable, for which the information is being submitted.
- D.3** The Contractor shall provide an electronic copy of the data on a CD-ROM. For security and privacy reasons, the Contractor is prohibited from transmitting any data to the Government via e-mail.
- D.4** The Government reserves the right, at no cost to the Government, to convert the MAR from an electronic, or other media, database to a standardized Government provided electronic database that can be sorted and used for analysis and results output.
