Authority

Pursuant to the authority of Section 119 of the Department of Justice Appropriations Acts of 2001 (Public Law 106-553), this Agreement is entered into between the United States Marshals Service (hereinafter referred to as the "Federal Government") and **Bossier Sheriff** (hereinafter referred to as the "Local Government"), who hereby agree as follows:

Purpose of Agreement and Security Provided

The Federal Government and the Local Government establish this Agreement that allows the United States Marshals Service (USMS) to house federal detainees with the Local Government at the **Bossier Sheriff Medium Facility, 2984 Old Plain Dealing Rd, Plain Dealing, Louisiana 71064** (hereinafter referred to as "the facility").

The population (hereinafter referred to as "federal detainees") will include individuals charged with federal offenses and detained while awaiting trial, individuals who have been sentenced and are awaiting designation and transport to a Bureau of Prisons (BOP) facility, and individuals who are awaiting a hearing on their immigration status or deportation.

The Local Government shall accept and provide for the secure custody, safekeeping, housing, subsistence and care of federal detainees in accordance with all state and local laws, standards, regulations, policies and court orders applicable to the operation of the facility. Detainees shall also be housed in a manner that is consistent with federal law and the Federal Performance-Based Detention Standards.

The USMS ensures the secure custody, care, and safekeeping of USMS detainees. Accordingly, all housing or work assignments, and recreation or other activities for USMS detainees are permitted only within secure areas of the building or within the secure external recreational/exercise areas.

At all times, the Federal Government shall have access to the facility and to the federal detainees housed there, and to all records pertaining to this Agreement, including financial records, for a period going back three (3) years from the date of request by the Federal Government.

Period of Performance

This Agreement is effective upon the date of signature of both parties, and remains in effect unless terminated by either party with written notice. The Local Government shall provide no less than one-hundred twenty (120) calendar days notice of their intent to terminate. Where the Local Government has received a Cooperative Agreement Program (CAP) award, the termination provisions of the CAP prevail.

Assignment and Outsourcing of Jail Operations

Overall management and operation of the facility housing federal detainees may not be contracted out without the prior express written consent of the Federal Government.

Medical Services

The Local Government shall provide federal detainees with the full range of medical care **inside** the detention facility. The level of care inside the facility should be the same as that provided to state and local detainees. The Local Government is financially responsible for all medical care provided **inside** the facility to federal detainees. This includes the cost of all medical, dental, and mental health care as well as the cost of medical supplies, over the counter prescriptions and, any prescription medications routinely stocked by the facility which are provided to federal detainees. The cost of all of the above-referenced medical care is covered by the federal per diem rate. However, if dialysis is provided within the facility, the Federal Government will pay for the cost of that service.

The Federal Government is financially responsible for all medical care provided **outside** the facility to federal detainees. The Federal Government must be billed directly by the medical care provider **not** the Local Government. In order to ensure that Medicare rates are properly applied, medical claims for federal detainees must be on Centers for Medicare and Medicaid (CMS) Forms in order to be re-priced at Medicare rates in accordance with Title 18, USC Section 4006. The Local Government is required to immediately forward all medical claims for federal detainees to the Federal Government for processing.

All **outside** medical care provided to federal detainees must be pre-approved by the Federal Government. In the event of an emergency, the Local Government shall proceed immediately with necessary medical treatment. In such an event, the Local Government shall notify the Federal Government immediately regarding the nature of the federal detainees illness or injury as well as the types of treatment provided.

Medical care for federal detainees shall be provided by the Local Government in accordance with the provisions of USMS, Publication 100-Prisoner Health Care Standards (www.usmarshals.gov/prisoner/standards.htm) and in compliance with USMS Inspection Guidelines, Form USM-218 Detention Facility Investigative Report. The Local Government is responsible for all associated medical recordkeeping.

The facility shall have in place an adequate infectious disease control program which includes testing of all federal detainees for Tuberculosis (TB) as soon as possible after intake (not to exceed 14 days). When Purified Protein Derivative (PPD) skin tests are used, they shall be read between 48 and 72 hours after placement.

TB testing shall be accomplished in accordance with the latest Centers for Disease Control (CDC) Guidelines and the result promptly documented in the federal detainees

Agreement Number 35-04-0053

medical record. Special requests for expedited TB testing and clearance (to include time-sensitive moves) will be accomplished through advance coordination by the Federal Government and Local Government.

The Local Government shall immediately notify the Federal Government of any cases of suspected or active TB or any other highly communicable disease such as Severe Acute Respiratory Syndrome (SARS), Avian Flu, Methicillin-Resistant Staphylococcus Aureus (MRSA), Chicken Pox, etc., which might affect scheduled transports or productions so that protective measures can be taken by the Federal Government.

When a federal detainee is being transferred and/or released from the facility, they will be provided with seven (7) days of prescription medication which will be dispensed from the facility. When possible, generic medications should be prescribed. Medical records must travel with the federal detainee. If the records are maintained at a medical contractor's facility, it is the Local Government's responsibility to obtain them before a federal detainee is moved.

Federal detainees may be charged a medical co-payment by the Local Government in accordance with the provisions of Title 18, USC Section 4013(d). The Federal Government is not responsible for medical co-payments and cannot be billed for these costs even for indigent federal prisoners.

Receiving and Discharge of Federal Detainees

The Local Government agrees to accept federal detainees only upon presentation by a law enforcement officer of the Federal Government with proper agency credentials.

The Local Government shall not relocate a federal detainee from one facility under its control to another facility not described in this Agreement without permission of the Federal Government.

The Local Government agrees to release federal detainees only to law enforcement officers of the Federal Government agency initially committing the federal detainee (i.e., Drug Enforcement Administration, Immigration and Customs Enforcement, etc.) or to a Deputy United States Marshal (DUSM).
